

2020 Prevent Cancer Dialogue: Prevention, Screening, Action
POSTER PRESENTATION CALL FOR ABSTRACTS

Submission Deadline: Friday, February 14, 2020, at 5:00 PM (ET)

Notification Date: Tuesday, March 10, 2020

The Prevent Cancer Foundation will hold its 2020 *Prevent Cancer Dialogue: Screening, Prevention, Action* on April 15-17, 2020, at the Hilton Crystal City at Washington Reagan National Airport, Arlington, VA.

The *Prevent Cancer Dialogue* is an annual national conference that convenes a diversity of stakeholders committed to realizing the lifesaving potential of cancer prevention and screening for all communities. The *Prevent Cancer Dialogue* emphasizes evidence-based cancer prevention and screening according to current guidelines.

The *Prevent Cancer Dialogue* poster session is a great opportunity to share information and highlight successes in early detection and prevention of cancer in communities across the country. The top-ranking abstract will receive special recognition at the conference.

The 2020 *Prevent Cancer Dialogue* poster session theme is ***Innovations in Building Sustainability for Community-Level Cancer Screening and Prevention.*** While we encourage submissions that focus on this theme, we also welcome ones that focus on other topics related to cancer prevention or screening.

Possible topics may include but are not limited to:

- Fostering partnerships with local community resources to sustain initiatives such as *80% in Every Community* for colorectal cancer screening.
- Implementing innovative technologies or delivering services and/or education which leverage resources.
- Strengthening collaboration to support cancer prevention or screening initiatives which reduce cultural barriers for vulnerable populations.
- Increasing sustainability by using technology and effective messaging to expand awareness and educate communities about cancer screening and early detection.

Guidelines for Submission

- **Abstracts are limited to no more than 450 words.**
- Using the submission form provided for abstracts, organize the description of your abstract into the five sections: *Background, Goals and Objectives, Methods, Results and Conclusions*.
- Individuals or groups are limited to submitting only one abstract.
- Text should be in Times New Roman, 12-point font.

Criteria for Selection

Abstracts will be assessed by external reviewers and selected based on the following criteria:

- Project demonstrates progress in cancer screening or prevention on the community level.
- Project demonstrates contribution to or use of best practices/evidence base in public health or clinical use for expanding access to cancer prevention or screenings according to guidelines.
- Project is clearly written, original and of high quality.
- Project includes evaluation data.
